

SOCIAL LADDERS!

Mr. Hakim
IB English 1

NAME _____
HR _____

International Academy, like all communities, operates in a particular social structure. This refers to different social groups that possess different levels of power in a community. Those groups with the most power are at the top of the "social ladder". Those with the least power are at the bottom. Try plotting some groups from the following communities/societies on the social ladder graphs below.

IA Community

Residents of *Midaq Alley*
